Darling, this is going to sound absurd; however, you did not edit my name in the "Dear Ms. Kelley" cover letter. I don't want a defense attorney accusing you of "cutting and pasting" even though we all do it every day and all day. If you want to leave it as it is, that is fine too.

THANK YOU!!!!!! You are the best!! I'll keep you posted on the actual trial date as soon as I know it!!

Happy Friday and GO SOC (even though they are killing me)

Hi,

Attached is the lab packet you requested for the re-submitted sample.  
Let me know if you need anything else.

Thanks,

Hello Ms. Kate!!!

I am emailing you because I need the original lab packet on [REDACTED]. You were the confirmatory chemist and I have just sent Ms. O'Brien an email requesting permission for Weymouth PD to resubmit the 65 plastic bags of cocaine for the retest. If possible, could you please send me the original packet now so that I can turn it over to the defense. I know this is a pain because I will need the new lab packet as well. Please let me know and THANK YOU SO MUCH!!!!  
Rock on,

Payton
